I has been a great summer and I would like to thank all the compoanies who made it so good. This school year is going to be one of the best, so lets start now! Also a reminder, we are on 24 hours a day, 365 days a year (I wonder if we go off the air during leap year day?). WRST-FM is comitted to alternative music, our very basis as a station is to be an alternative, and I would say that 98% of all records received go into our playlist. So, lets make beautiful music together.
